

Processing/Physical Characteristics	Value	Unit	Test Standard
ISO Data			
Melt flow index, MFI	5	g/10min	ISO 1133
Temperature	190	°C	-
Load	2.16	kg	-

Characteristics**Processing**

Other Extrusion

Delivery form

Pellets, Natural Color

Features

Chemically Coupled Reinforcement, Good Adhesion, Low Odor

Regional Availability

North America, Europe, Asia Pacific, South and Central America, Near East/Africa
