

rPET65 clear grey

PET

tide ocean SA

Product Texts

Origin of material: 100% ocean-bound material.

Other properties	Value	Unit	Test Standard
Intrinsic Viscosity	67.5	dl/g	-
Bulk density	1350	kg/m ³	-

Characteristics

Delivery form

Pellets

Certifications

Recycled Resin Content, RoHS compliant

Special Characteristics

Transparent

Regional Availability

North America, Europe, Asia Pacific
