

**BA140**

PMMA

LX MMA Corp.

**Product Texts**

BA140 is 100% solid acrylic bead resins that exhibit balanced physical properties between hardness and flexibility, and they provide excellent adhesion to various materials. BA140 can be used for transparent coating of indoor and outdoor concrete floor and road, showing excellent durability and resistance to gasoline and oil.

<b>Thermal properties</b>	<b>Value</b>	<b>Unit</b>	<b>Test Standard</b>
