

Metal Cap PPC373B72

PP-MF72

Polyram

Processing/Physical Characteristics	Value	Unit	Test Standard
ISO Data			
Melt flow index, MFI	5	g/10min	ISO 1133
Temperature	230	°C	-
Load	2.16	kg	-
Other properties			
Density	2100	kg/m ³	ISO 1183

Characteristics**Processing**

Injection Molding

Features

Low Odor, Copolymer

Delivery form

Pellets

Regional Availability

North America, Europe, Asia Pacific, South and Central America, Near East/Africa
