

RamOfin PL4001NT

(PE+PTFE)

Polyram

Processing/Physical Characteristics	Value	Unit	Test Standard
ISO Data			
Melt flow index, MFI	6.5	g/10min	ISO 1133
Temperature	190	°C	-
Load	2.16	kg	-
Other properties			
Density	1070	kg/m ³	ISO 1183

Characteristics**Processing**

Injection Molding

Features

Tribologic Grade

Delivery form

Natural Color

Certifications

RoHS compliant

Additives

Lubricants

Regional Availability

North America, Europe, Asia Pacific, South and Central America, Near East/Africa
