

**V30S**

PP

SINOPEC Shanghai Gaoqiao Company

Processing/Physical Characteristics	Value	Unit	Test Standard
<b>Other Standards</b> <sup>[5]</sup>			
Melt flow index, MFI	<b>16.5</b>	g/10min	

S: These properties are reported by the producer according standards that are different to our defaults.

Mechanical properties	Value	Unit	Test Standard
<b>Other Standards</b> <sup>[5]</sup>			
Yield stress	<b>28.9</b>	MPa	

S: These properties are reported by the producer according standards that are different to our defaults.

**Characteristics****Processing**

Injection Molding

**Regional Availability**

Asia Pacific

**Features**

Homopolymer
