

1851 Clear 7002

PVC, Flexible

Westlake Chemical Corp.

Mechanical properties	Value	Unit	Test Standard
ASTM Data			
Tensile Strength	21.7	MPa	ASTM D 638
Shore A Hardness	85	-	ASTM D 2240
Other properties			
Density	1250	kg/m ³	ASTM D 792

Characteristics**Special Characteristics**

Transparent

Applications

Medical

Certifications

Medical Grade, US Pharmacopeia Class VI Approved

Regional Availability

North America
