

8940

PVC, Flexible

Westlake Chemical Corp.

Mechanical properties	Value	Unit	Test Standard
ASTM Data			
Tensile Strength	23.1	MPa	ASTM D 638
Shore A Hardness	94	-	ASTM D 2240
Other properties			
Density	1300	kg/m ³	ASTM D 792

Characteristics

Processing

Other Extrusion

Regional Availability

North America

Applications

General Purpose
