

12850

PVC, Flexible

Westlake Chemical Corp.

Mechanical properties	Value	Unit	Test Standard
ASTM Data			
Tensile Strength	17.2	MPa	ASTM D 638
Shore A Hardness	85	-	ASTM D 2240
Other properties			
Density	1250	kg/m ³	ASTM D 792

Characteristics**Processing**

Wire/Cable Extrusion

Features

Fungus Resistance

Special Characteristics

Flame retardant, U.V. stabilized or stable to weather

Regional Availability

North America
