

16882

PVC, Flexible

Westlake Chemical Corp.

Mechanical properties	Value	Unit	Test Standard
ASTM Data			
Tensile Strength	19.3	MPa	ASTM D 638
Shore A Hardness	88	-	ASTM D 2240
Thermal properties			
ASTM Data			
Limiting Oxygen Index	30.5	%	ASTM D 2863
Other properties			
Density	1350	kg/m ³	ASTM D 792

Characteristics**Special Characteristics**

U.V. stabilized or stable to weather

Applications

Electrical and Electronical

Features

Fungus Resistance

Regional Availability

North America
