

47551

PVC, Flexible

Westlake Chemical Corp.

Mechanical properties	Value	Unit	Test Standard
ASTM Data			
Tensile Strength	14.5	MPa	ASTM D 638
Shore A Hardness	74	-	ASTM D 2240
Other properties			
Density	1270	kg/m ³	ASTM D 792

Characteristics

Processing

Injection Molding

Regional Availability

North America

Applications

Automotive, Encapsulation
