

Processing/Physical Characteristics	Value	Unit	Test Standard
ISO Data			
Melt flow index, MFI	17	g/10min	ISO 1133
Mechanical properties			
ISO Data			
Tensile Modulus	4	MPa	ISO 527
Tensile Strength	9	MPa	ISO 527
ASTM Data			
Shore A Hardness	80	-	ASTM D 2240

Characteristics

Processing

Injection Molding, Other Extrusion

Special Characteristics

Translucent

Certifications

Medical Grade, Biocompatibility ISO 10993

Applications

Medical

Regional Availability

North America, Europe, Asia Pacific, South and Central America, Near East/Africa
