

TERRYL® PA56T

PA*

Cathay Industrial Biotech Ltd.

| Thermal properties | Value | Unit | Test Standard |
|-------------------------------|--------------|-------------|----------------------|
| ISO Data | | | |
| Melting temperature, 10°C/min | 269 | °C | ISO 11357-1/-3 |

| Other properties | Value | Unit | Test Standard |
|-------------------------|--------------|-------------|----------------------|
| Moisture Content | 0.3 | % | - |

Characteristics**Special Characteristics**

Flame retardant

Regional Availability

Asia Pacific

Certifications

Contains renewable resources
