

Processing/Physical Characteristics	Value	Unit	Test Standard
ISO Data			
Melt flow index, MFI	4	g/10min	ISO 1133
Temperature	190	°C	-
Load	21.6	kg	-
Other properties			
Density	1150	kg/m ³	ISO 1183

Characteristics

Processing

Other Extrusion

Special Characteristics

Increased electrical conductivity

Delivery form

Pellets

Regional Availability

North America, Europe, Asia Pacific, South and Central America, Near East/Africa
