

PLEXIGLAS® Softlight df97

PMMA

Röhm GmbH

Optical properties	Value	Unit	Test Standard
ISO Data			
Luminous transmittance	72 ^[1]	%	ISO 13468-1, -2
1: 1 mm			

Characteristics**Processing**

Injection Molding, Profile Extrusion, Other Extrusion

Features

Light Diffusing, Light Guiding

Delivery form

Pellets

Applications

Electrical and Electronical

Special Characteristics

U.V. stabilized or stable to weather

Regional Availability

North America, Europe, Asia Pacific, South and Central America, Near East/Africa
