

Processing/Physical Characteristics	Value	Unit	Test Standard
ISO Data			
Melt flow index, MFI	10	g/10min	ISO 1133
Temperature	230	°C	-
Load	2.16	kg	-

Characteristics

Processing

Film Extrusion

Certifications

Food contact

Additives

Antiblocking agent

Applications

Packaging

Special Characteristics

Transparent, Sterilizable, Steam sterilization

Regional Availability

Europe
