

rPP6 natural

PP

tide ocean SA

Product Texts

Origin of material: 100% ocean-bound material.

Other properties

	Value	Unit	Test Standard
Intrinsic Viscosity	6	dl/g	-
Bulk density	910	kg/m ³	-

Characteristics**Delivery form**

Pellets, Natural Color

Regional Availability

North America, Europe, Asia Pacific

Certifications

Recycled Resin Content, Food contact, Food approval FDA 21 CFR, RoHS compliant
