

6741

PVC, Flexible

Westlake Chemical Corp.

| Mechanical properties | Value | Unit | Test Standard |
|------------------------------|--------------|-------------------|----------------------|
| ASTM Data | | | |
| Tensile Strength | 13.8 | MPa | ASTM D 638 |
| Shore A Hardness | 72 | - | ASTM D 2240 |
| Other properties | | | |
| Density | 1300 | kg/m ³ | ASTM D 792 |

Characteristics**Processing**

Profile Extrusion

Regional Availability

North America

Features

Good Adhesion
