

8747

PVC, Flexible

Westlake Chemical Corp.

Mechanical properties	Value	Unit	Test Standard
ASTM Data			
Tensile Strength	12.1	MPa	ASTM D 638
Shore A Hardness	74	-	ASTM D 2240

Other properties	Value	Unit	Test Standard
Density	1430	kg/m ³	ASTM D 792

Characteristics

Processing

Injection Molding, Other Extrusion

Applications

General Purpose

Features

Blush Resistance/Low Crease Whitening

Regional Availability

North America
