

8757

PVC, Flexible

Westlake Chemical Corp.

Mechanical properties	Value	Unit	Test Standard
ASTM Data			
Tensile Strength	9.65	MPa	ASTM D 638
Shore A Hardness	75	-	ASTM D 2240

Other properties	Value	Unit	Test Standard
Density	1480	kg/m ³	ASTM D 792

Characteristics

Processing

Other Extrusion

Applications

General Purpose

Features

Soft Feel

Regional Availability

North America
