

11600

PVC, Flexible

Westlake Chemical Corp.

| Mechanical properties | Value | Unit | Test Standard |
|------------------------------|--------------|-------------------|----------------------|
| ASTM Data | | | |
| Tensile Strength | 12.8 | MPa | ASTM D 638 |
| Shore A Hardness | 60 | - | ASTM D 2240 |
| Other properties | | | |
| Density | 1210 | kg/m ³ | ASTM D 792 |

Characteristics**Processing**

Wire/Cable Extrusion, Other Extrusion

Regional Availability

North America

Applications

General Purpose
