

Product Texts

Aromatic bio-polyurethane.

Processing/Physical Characteristics

	Value	Unit	Test Standard
ISO Data			
Melt flow index, MFI	45	g/10min	ISO 1133
Temperature	170	°C	-
Load	2.16	kg	-

Thermal properties

	Value	Unit	Test Standard
ISO Data			
Melting temperature, 10°C/min	75	°C	ISO 11357-1/-3

Other properties

	Value	Unit	Test Standard
Density	1190	kg/m ³	ISO 1183
Biobased content	67	%	-
Moisture Content	0.15	%	-

Characteristics

Delivery form

Pellets, White

Certifications

Contains renewable resources

Features

High Crystallinity

Regional Availability

North America, Europe
