

Volaprint BIO TPU 90

TPU

Volaprint 3 de-store

Product Texts

Monomeranteil: 38 % (ASTM D 6866)

Mechanical properties

ISO Data

	Value	Unit	Test Standard
Yield stress	5	MPa	ISO 527
Strain at break TPE	470	%	ISO 527
Other Standards^[5]			
Tear strength	39	kN/m	ISO 527

S: These properties are reported by the producer according standards that are different to our defaults.

Other properties

	Value	Unit	Test Standard
Density	1150	kg/m ³	ISO 1183

Characteristics

Processing

Additive Manufacturing

Certifications

Contains renewable resources

Special Characteristics

Transparent

Regional Availability

Europe
